This Amendment No. 3 to the Tender Offer Statement on Schedule TO (the "Amendment") filed by Herbalife Nutrition Ltd., a Cayman Islands exempted company incorporated with limited liability (the "Company"), amends and supplements the Schedule TO filed by the Company with the Securities and Exchange Commission (the "SEC") on July 13, 2020, as amended by Amendment No. 1 to Schedule TO filed on August 6, 2020 and Amendment No. 2 to Schedule TO filed on August 12, 2020 (collectively, with any amendments and supplements hereto, this "Schedule TO"). This Schedule TO relates to the offer by the Company to purchase common shares, par value \$0.0005 per share in the capital, of the Company (the "common shares"), for an aggregate cash purchase price of up to \$750 million at a price per share not greater than \$50.00 nor less than \$44.75 per share, net to the seller in cash, less any applicable tax withholding and without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated July 13, 2020 (the "Offer to Purchase"), and in the related Letter of Transmittal (the "Letter of Transmittal" which, together with the Offer to Purchase, as each may be amended or supplemented from time to time, collectively constitute the "Offer"). The Offer expired at 5:00 P.M., New York City time, on Tuesday, August 11, 2020.

The Schedule TO, and all the information set forth in the Offer to Purchase, to the extent incorporated by reference therein, is hereby amended and supplemented as set forth below. Every Item in the Schedule TO is automatically updated, to the extent such Item incorporates by reference any section of the Offer to Purchase that is amended and supplemented therein. All capitalized terms used but not otherwise defined in this Amendment have the meanings ascribed to such terms in the Offer to Purchase.

#### **Items 1 through 11.**

Items 1 through 11 of the Schedule TO are hereby amended and supplemented as follows:

"Based on the final count by Computershare Trust Company, N.A., the Depository for the Offer (the "Depository"), a total of 36,810,968 common shares of the Company were properly tendered and not properly withdrawn at or below the Cash Purchase Price of \$48.75 per share.

Because the tender offer was oversubscribed, the Company purchased only a prorated portion of the common shares properly tendered by each tendering shareholder (other than "odd lot" holders whose shares were purchased on a priority basis) at the final per share Cash Purchase Price of \$48.75. Based on the final tender count, and taking into consideration the effect of odd lot priority on the proration factor, the final proration factor for the tender offer was approximately 41.79% of the shares properly tendered at or below the Cash Purchase Price of \$48.75 per share.

In accordance with the terms and conditions of the Offer and based on the final count by the Depository, the Company accepted for purchase 15,384,615 common shares of the Company at a Cash Purchase Price of \$48.75 per share, for a total cash cost of approximately \$750 million, excluding fees and expenses relating to the Offer. These common shares represent approximately 11.6% of the Company's total outstanding common shares as of August 14, 2020. The Depository will promptly pay for the common shares accepted for purchase and promptly return all shares tendered and not accepted for purchase."

### Herbalife Nutrition Announces Final Results of Self-Tender Offer

LOS ANGELES (August 17, 2020) — Herbalife Nutrition Ltd. (NYSE: HLF) (“Herbalife Nutrition” or “the Company”) announced today the final results of its “modified Dutch auction” self-tender offer, which expired at 5:00 P.M., New York City time, on Tuesday, August 11, 2020, to purchase up to an aggregate of \$750 million of the Company’s common shares at a cash purchase price not greater than \$50.00 nor less than \$44.75 for each share tendered.

Based on the final count by Computershare Trust Company, N.A., the Depository for the tender offer, a total of 36,810,968 common shares of the Company were properly tendered and not properly withdrawn at or below the price of \$48.75 per share.

Because the tender offer was oversubscribed, the Company purchased only a prorated portion of the common shares properly tendered by each tendering shareholder (other than “odd lot” holders whose shares were purchased on a priority basis) at the final per share cash purchase price of \$48.75. Based on the final tender count, and taking into consideration the effect of odd lot priority on the proration factor, the final proration factor for the tender offer was approximately 41.79% of the shares properly tendered at or below the cash purchase price of \$48.75 per share.

Accordingly, the Company accepted for purchase 15,384,615 common shares of the Company at a cash purchase price of \$48.75 per share, for a total cash cost of approximately \$750 million, excluding fees and expenses relating to the tender offer. These common shares represent approximately 11.6% of the Company’s total outstanding shares as of August 14, 2020. The Depository will promptly pay for the shares accepted for purchase and promptly return all shares tendered and not accepted for purchase.

The Company funded the share purchase in the tender offer from existing cash on hand.
