Herbalife Ltd. Announces Fourth Quarter and Full Year 2014 Results, and 2015 Earnings Guidance

- Fourth quarter adjusted¹ EPS increased 10% to \$1.41 per diluted share compared to \$1.28 per diluted share for the prior year comparable quarter. Reported EPS increased 5% to \$1.21 per diluted share compared to \$1.15 per diluted share in the prior year.
- Fourth quarter worldwide net sales of \$1.1 billion, down 11% due to an unfavorable impact from currency; net sales excluding currency impact were flat compared to the prior year period.
- Annual sales leader retention of approximately 54.2% percent.
- FY'15 adjusted EPS guidance to a range of \$4.10 to \$4.50.

LOS ANGELES--(BUSINESS WIRE)-- Herbalife Ltd. (NYSE: HLF) today reported fourth quarter net sales of \$1.1 billion, reflecting a decline of 11 percent, primarily due to the unfavorable impact of currency fluctuations. Net sales, excluding currency impact, were flat compared to the prior year. Adjusted net income for the quarter was \$121.0 million, or \$1.41 per diluted share, compared to \$137.2 million, or \$1.28 per diluted share for the same period in 2013. On a reported basis, the company announced fourth quarter net income of \$103.3 million, or \$1.21 per diluted share, compared to \$123.5 million, or \$1.15 per diluted share for the same period in 2013. Fourth quarter 2014 EPS was negatively impacted by a \$0.31 currency headwind.

For the twelve months ended December 31, 2014, the company reported net sales of \$5.0 billion, a 3 percent increase compared to 2013. Net sales, excluding currency impact, increased 8 percent compared to 2013. For the twelve months ended December 31, 2014, the company reported net income of \$308.7 million, or \$3.40 per diluted share. On an adjusted basis, net income of \$538.5 million decreased 7 percent versus adjusted net income of \$577.4 million for the same period in 2013. Adjusted EPS for full year 2014 of \$5.93 increased by 10 percent versus adjusted EPS of \$5.37 for full year 2013.

Michael Johnson, chairman and CEO stated, "2014 was a record year in terms of net sales, volume and sales leader retention. It was also a year of transition, as we continue to implement changes that we believe will create a stronger company with the ideal combination of growth and sustainability. We have seen the success of these changes in early adopter markets and remain confident that our other markets will follow a similar pattern through 2015 and beyond."

Johnson continued, "Our revised guidance reflects the currency landscape faced by all global companies and the short-term volume impact of the enhancements we are making. We believe we are executing the right long-term strategy and are confident in our ability to create sustainable value for our shareholders and the millions of Herbalife members and their customers worldwide."

For the year ended December 31, 2014, the company generated cash flow from operations of \$511.4 million, invested \$156.7 million in capital expenditures, and repurchased approximately \$1.3 billion in common shares outstanding under the approved share repurchase program.

2015 Annual Sales Leader Requalification ⁴

Each year, by the end of January, sales leaders are required to re-qualify to retain their sales leader status. A record number of sales leaders were retained in 2015. The pool of sales leaders needing to re-qualify increased by approximately 2% compared to the prior year, and we retained 7% more of them than in the prior year. Our overall retention rate increased to 54.2% compared to 51.8% from the prior year.

2015 First Quarter and Full Year Guidance

Guidance includes an unfavorable impact from currency rates. For the first quarter, we expect an approximately \$0.28 impact, inclusive of approximately \$0.10 resulting from Venezuela. Full year guidance includes a currency headwind of approximately \$1.19, including approximately \$0.45 from Venezuela.

Based on current business trends the company's first quarter fiscal 2015 and full year fiscal 2015 guidance is as follows:

	Three Months Ending		Twelve Months Ending	
	March 31, 2015		December 31, 2015	
	Low	High	Low	High

Our future financial condition and results of operations, as well as any forward-looking statements, are subject to change and to inherent risks and uncertainties, such as those disclosed or incorporated by reference in our filings with the Securities and Exchange Commission. Important factors that could cause our actual results, performance and achievements, or industry results to differ

materially from estimates or projections contained in our forward-looking statements include, among others, the following:

- our relationship with, and our ability to influence the actions of, our Members;
- improper action by our employees or Members in violation of applicable law;
- adverse publicity associated with our products or network marketing organization, including our ability to comfort the marketplace and regulators regarding our compliance with applicable laws;
- changing consumer preferences and demands;
- our reliance upon, or the loss or departure of any member of, our senior management team which could negatively impact our Member relations and operating results;
- the competitive nature of our business;
- regulatory matters governing our products, including potential governmental or regulatory actions concerning the safety or efficacy of our products and network marketing program, including the direct selling market in which we operate;
- legal challenges to our network marketing program;
- risks associated with operating internationally and the effect of economic factors, including foreign exchange, inflation, disruptions or conflicts with our third party importers, pricing and currency devaluation risks, especially in countries such as Venezuela;
- uncertainties relating to the application of transfer pricing, duties, value added taxes, and other tax regulations, and changes thereto;
- uncertainties relating to interpretation and enforcement of legislation in China governing direct selling;
- our inability to obtain the necessary licenses to expand our direct selling business in China;
- adverse changes in the Chinese economy;
- our dependence on increased penetration of existing markets;
- contractual limitations on our ability to expand our business;
- our reliance on our information technology infrastructure and outside manufacturers;
- the sufficiency of trademarks and other intellectual property rights;
- product concentration;
- changes in tax laws, treaties or regulations, or their interpretation;
- taxation relating to our Members;
- product liability claims;
- whether we will purchase any of our shares in the open markets or otherwise; and
- share price volatility related to, among other things, speculative trading and certain traders shorting our common shares.

We do not undertake any obligation to update or release any revisions to any forward-looking statement or to report any events or circumstances after the date hereof or to reflect the occurrence of unanticipated events, except as required by law.

(1) Based on interim income tax reporting rules, these expenses are not considered discrete items. As a result, the Company's full year effective tax rate is impacted by these items. When applying the full year effective tax rate to year-to-date income, the

Company's year-to-date tax provision recorded with respect to these non-GAAP adjustments is different from the forecasted full-year tax provision impact of these items. As a consequence, adjustments to the year-to-date and quarterly tax impacts will be recorded as the adjusted full year effective tax rate is applied to income in subsequent periods.

(2) Net of \$0.4 million and \$(1.4 million) tax benefit for the three months ended Dec. 31, 2014 and 2013, respectively; and net of \$76.6 million and \$5.4 million tax benefit for the twelve months ended Dec. 31, 2014 and 2013, respectively.

(3) Net of \$3.7 million and \$1.4 million tax benefit for the three months ended Dec. 31, 2014 and 2013, respectively; and net of \$8.5 million and \$4.6 million tax benefit for the twelve months ended Dec. 31, 2014 and 2013, respectively.

(4) Net of \$2.5 million and \$4.9 million tax benefit for the three and twelve months ended Dec. 31, 2013, respectively.

(5) Net of \$1.6 million and \$5.7 million tax benefit for the three and twelve months ended Dec. 31, 2014, respectively.
